SCHEDULE OF PAYMENT DUE DATES

Paragraph 6 of SBA Form 1086, states that payments are due at the Fiscal and Transfer Agent (FTA) on the third **calendar** day of the month, or the next business day if the third is not a business day. The SBA allows a grace period of two business days after the due date. If the FTA receives a regularly scheduled payment after the expiration of the grace period, a Late Penalty is assessed (subject to a maximum of $5,000.00). Paragraph 6(c) of SBA Form 1086 describes the components of the Late Penalty. Lenders are billed for Late Penalties at the end of each month. Late Penalties are due to the FTA, Colson Services Corporation, with the Lender's next monthly remittance.

Below is a schedule of **final** due dates, which includes the grace period of two business days for regularly scheduled payments. Payments received after the final due date will be subject to the Late Penalty.
