

Jeannie Houston
Supplier Development and Diversity Program Manager
Bechtel National, Inc.

Jeannie Houston is the Supplier Development and Diversity Program Manager (SDDPM) for Bechtel National, Inc (BNI), a \$5 billion per year company focused on providing management and operating, environmental restoration, and design/build services to the federal government. Jeannie coordinates small business outreach efforts at 18 sites, overseeing 23 Small Business Program Advocates and six mentor protégé agreements. Through Jeannie's small business liaison efforts, BNI has successfully awarded over \$1 billion in subcontracts to small businesses in each of the last two years. Jeannie has served as BNI's SDDPM for 6 years and has been with Bechtel for over 22 years.
