

Join us for a focus group targeting veteran business owners who are serious about their business growth.

- ***Provide feedback on a new veteran's business program outlining critical business activities needed to achieve and sustain success. Your input will shape the agenda for a regional veteran's conference that the SBA is planning for the fall.***
- ***Training provided by Nick Callazzo, formerly affiliated with the Wharton SBDC and Drexel's Entrepreneurial Forum.***

Saturday, February 20, 2010
