SBA Loans

The SBA offers numerous loan programs to assist small businesses. It is important to note, however, that the SBA is primarily a guarantor of loans made by private and other institutions and does not offer loans to small businesses.

To find out more about the loans available to help you start or expand your business, call the Massachusetts District Office at 617-565-5590 or go to:

<http://www.sba.gov/services/financialassistance/sbaloantopics/index.html>.

All SBA programs and services are provided on a nondiscriminatory basis.
