*This table displays the total purchase amount by program as of the end of each fiscal year.*

*Purchase amount is defined as the total dollar amount of principal and interest purchased by the SBA on a guarantied loan in default. Purchase amounts for the 504 program also include accrued advances.*

*Purchase amounts are net of pre-purchase lender recoveries and related expenses, but are not net of post-purchase recoveries and related expenses.*

*Purchase amounts reflect the SBA guarantied portion and exclude the non-guarantied portion of the loan.*

*Purchase amounts for a given fiscal year may be adjusted if an additional amount is purchased or a repair occurs and the purchase amount is reduced.*

*Guarantied Business programs include all guarantied loans that are subject to the Credit Reform Act of 1990; which are loans SBA approved on or after 10/01/1991.*

*The 7(a) and 504 loans in the DELTA and STAR programs are included in the 'All Other' category, not the '7(a) Regular' and '504 Regular' categories, of guarantied business programs.*
