OMNI BANK NEW SBA PREFERRED LENDER IN NORTH CAROLINA

Charlotte, NC – The U.S. Small Business Administration has approved Omni National Bank as an additional Preferred Lender in the state of North Carolina.

Omni National Bank offers redevelopment and commercial mortgage loans and other specialized financial services to small businesses through its branches and offices in Fayetteville, Parkton, High Point, and Charlotte.

“We are very pleased to be designated as a Preferred Lender by SBA,” commented Patrick Tracy, Senior Vice President, SBA Lending. “As a Preferred Lender we can speed up the approval time for our SBA loan applications and provide better service to our small business customers.”

“It is a pleasure to welcome Omni National Bank as a SBA Preferred Lender,” said SBA North Carolina District Director, Lee Cornelison. “We have awarded them this designation so that they can help more of North Carolina’s entrepreneurs.”

The SBA Preferred Lenders Program (PLP) includes those who have been heavily involved in regular SBA loan-guaranty processing and have met certain other criteria. Under PLP, SBA delegates loan approval, closing, and most servicing and liquidation authority and responsibility to these carefully selected lenders.
