

Women-in-Business Roundtable
Expanding Your Knowledge of the Business World

A 5-part series of free seminars designed to provide women entrepreneurs with basic and comprehensive business tools. The upcoming seminars will cover (1) the basics of starting and the basics of financing; (2) credit; (3) structuring your business and capital sources; (4) marketing your business; (5) financial statements and projections, and loan programs and eligibility; and (5) "meet your lender" networking seminar.
