Veteran-owned and service disabled veteran-owned small businesses

As a supply chain integrator for food, clothing, medical, and general and industrial supplies, the Defense Supply Center Philadelphia (DSCP) is committed to making Focused Logistics a reality to assure worldwide military readiness. DSCP provides troop and general support for America's Warfighters, and ships over \$6.2 billion annually in supplies and services. We're committed to supplying the best for America's finest. The benefits of partnering with DSCP could result in:

- Web-based worldwide product sales
- Subcontracting opportunities
- Flexible contract arrangements
- Direct customer shipments
- Long term contracts
- Business mentoring
- Leveraging commercial capabilities
- Electronic Commerce

Your small business is important to us and we would like you to be one of our suppliers if your products and services meet our needs for America's Armed Forces.
