**Comments:**

Graded Agency:

For the second consecutive year, the Department of Housing and Urban Development (HUD) has achieved an overall score of "A". This success was achieved through a combination of implemented reforms and efforts, to include, HUD's management and execution of the strategic annual acquisition planning process. HUD has continued to emphasize the importance of all the small business goals and our efforts in FY2014 are focused on continuing to increase our overall awards to small businesses with special focus on improvements with HUBZone small business concerns and sustaining achievements with SDVOSB concerns.
