Comments:

Graded Agency:

In Fiscal Year (FY) 2014, we continued to exceed our goals for women-owned small business and small disadvantaged business concerns. In addition, we more than tripled our dollars awarded to service-disabled veteran-owned small businesses from \$14.6 million in FY 2013 to \$44.8 million in FY 2014, representing an increase from 1.08 percent in FY 2013 to 2.69 percent in FY 2014.

We continue to nurture and develop the advancement of the small business goals by: conducting educational events for all acquisition personnel; sponsoring an annual small business conference; tracking and briefing acquisition personnel regularly on the agency's progress in meeting our socio-economic goals; and keeping acquisition staff current by periodically issuing guidance on issues, policies, and procedures affecting acquisition opportunities for small business.
