Graded Agency:

USAID is honored to receive a "B" for Fiscal Year (FY) 2016. At first glance, this appears to be a decline in performance from the "A" grade the Agency received in FY 2015. However, considering that FY 2016 was the first year that contracts awarded overseas counted towards Federal agencies' official goals, USAID had an outstanding year by several measures. The Agency awarded the highest dollar obligations ever to SBs at \$571M, an increase from the \$451M awarded worldwide in FY 2015. On a percentage basis, worldwide SB awards increased from 9.3% to 13.1%, exceeding the 11% worldwide goal. For domestic awards, USAID awarded 23.8% to SBs, increase from the 18.1% awarded in FY 2015. Also, in FY 2016 USAID exceeded its prime goal for SDB and its subcontracting goal for WOSB. Despite the inherent challenges posed by the fact that the SB regulations (FAR Part 19) still do not apply for contracts awarded outside the U.S., USAID will continue to focus diligently on expanding procurement opportunities to SBs at its overseas Missions.
