Section I: Steps Taken to Apply the Presumption of Openness

The guiding principle underlying DOJ's FOIA Guidelines is the presumption of openness.

Please answer the following questions in order to describe the steps your agency has taken to ensure that the presumption of openness is being applied to all decisions involving the FOIA. You may also include any additional information that illustrates how your agency is working to apply the presumption of openness.

A. FOIA Leadership

Yes

2. Please provide the name and title of your agency's Chief FOIA Officer.

If your response to the previous question is that less than 80% of your FOIA professionals attended training, please explain your agency's plan to ensure that all FOIA professionals receive or attend substantive FOIA training during the next reporting year.

N/A

C. Outreach

7. Did your FOIA professionals engage in any outreach or dialogue with the requester community or open government groups regarding your administration of the FOIA? Please describe any such outreach or dialogue, and, if applicable, any specific examples of how this dialogue has led to improvements in your agency's FOIA administration.

Yes. A member of SBA's full-time FOIA staff represented the agency at the Chief FOIA Officer meetings. The Chief FOIA Officer meetings are well attended by journalists and members of the public. During these meetings, SBA personnel have discussed Open Government progress with the requester community.

8. Describe any efforts your agency has undertaken to inform non-FOIA professionals of their obligations under the FOIA. In 2016, the Department publicized FOIA-related performance standards for employees that have any role in administering the FOIA, including non-FOIA professionals. Please also indicate whether your agency has

considered including FOIA-related performance standards in employee work plans for employees who have any role in administering the FOIA.

The FOIA Office in partnership with the Office of General Counsel provided training to SBA HQ and field staff in March 2018. There have been preliminary discussions with Senior Management of including FOIA related performance standards.

9. If there are any other initiatives undertaken by your agency to ensure that the presumption of openness is being applied, please describe them here.

No additional initiatives.

Section II: Steps Taken to Ensure that Your Agency Has an Effective System in Place for Responding to Requests

DOJ's FOIA Guidelines emphasize that "[a]pplication of the proper disclosure standard is only one part of ensuring transparency. Open government requires not just a presumption of disclosure, but also an effective system for responding to FOIA requests." It is essential that agencies effectively manage their FOIA program.

Please answer the following questions to describe the steps your agency has taken to ensure that the management of your FOIA program is effective and efficient. You should also include any additional information that that describes your agency's efforts in this area.

1. For Fiscal Year 2018, what was the average number of days your agency reported for adjudicating requests for expedited processing? Please see Section VIII.A. of your agency's Fiscal Year 2018 Annual FOIA Report.

31.53 Days

2. If your agency's average number of days to adjudicate requests for expedited processing was above ten calendar days, please describe the steps your agency will take to ensure that requests for expedited processing are adjudicated within ten calendar days or less.

Follow-up with OGC and program offices 5 days after assignment of request to ensure response to any request for expedited processing are timely met within 10 days.

3. During the reporting period, did your agency conduct a self-assessment of its FOIA program? If so, please describe the methods used, such as reviewing Annual Report data, using active workflows and track management, reviewing and updating processing procedures, etc.

Note: In September 2017, OIP released a FOIA Self-Assessment Toolkit as a resource for agencies conducting a self-assessment of their FOIA program. The Toolkit is available on OIP's website for all agencies to use.

Yes. The agency's full-time FOIA staff routinely conducts self-assessments of the program to determine timeliness and quality of the agency's responses. The FOIA team creates custom weekly management reports in the FOIAonline system to assess the timeliness of the agency's responses. More qualitative assessments are achieved by review of all SBA components' final responses. We continuously streamline processes related to intake and assignment, clarification of new requests, and FOIA fee assessment.

4. The FOIA Improvement Act of 2016 requires additional notification to requesters about the services provided by the agency's FOIA Public Liaison. Please provide an estimate of the number of times requesters sought assistance from your agency's FOIA Public Liaison during FY 2018 (please provide a total number or an estimate of the number).

Approximately - 225

5. Please describe the best practices used to ensure that your FOIA system operates efficiently and effectively and any challenges your agency faces in this area.

FOIA staff routinely check FOIAonline and report any issues to their helpdesk.

Section III: Steps Taken to Increase Proactive Disclosures

The Department of Justice has long focused on the need for agencies to work proactively to post information online without waiting for individual requests to be received.

Please answer the following questions to describe the steps your agency has taken to increase the amount of material that is available on your agency websites. In addition to the questions below, you should also describe any additional steps taken by your agency to make and improve proactive disclosures of information.

1. Provide examples of material that your agency has proactively disclosed during the past reporting year, including links to the posted material

The Agency's most significant proactive disclosure postings are SBA's complete loan level 7(a) and 504 data sets and data dictionary from January 1, 1990, to present found here:

https://www.sba.gov/about-sba/sba-performance/open-government/foia/frequently-requested-records/sba-7a-504-loan-data-reports

These data sets represent the agency's most frequently requested information.

In addition, SBA has also posted statistical information regarding the performance of its programs, as well as economic research data:

https://www.sba.gov/about-sba/sba-performance/performance-budget-finances

https://www.sba.gov/category/advocacy-navigation-structure/research-and-statistics

2. Please describe how your agency identifies records that have been requested and released three or more times (and are therefore required to be proactively disclosed pursuant to 5 U.S.C. § 552(a)(2)(D)).

FOIA Staff identifies requests that have been requested multiple times within a 3 month span, and coordinates with the program offices and the Office of General Counsel for release.

3. Beyond posting new material, is your agency taking steps to make the posted information more useable to the public, especially to the community of individuals who regularly access your agency's website?

Yes.

4. If yes, please provide examples of such improvements.

The agency has changed the visual appearance of the SBA.gov website. Larger font, easy-to-read white space v. lettering format, improved quality and relevancy of the SBA program content posted are all noticeable improvements. These improvements are a result of collaborative efforts by the Office of Communications and Public Liaison and the Office of the Chief Information Officer.

5. Please describe the best practices used to improve proactive disclosures and any challenges your agency faces in this area.

The Agency has improved its Open Government and Open Data efforts to increase public access to the Agency's most frequently requested data sets. SBA has publicized its efforts through the Office of the Chief Information Officer's Open Government reporting to OMB, the OHA FOIA team's reporting to OIP, and the continued revitalization of the Agency's website.

Section IV: Steps Taken to Greater Utilize Technology

A key component of FOIA administration is using technology to make information more accessible. In addition to using the internet to make proactive disclosures, agencies should also be exploring ways to utilize technology in responding to requests.

Please answer the following questions to describe how your agency is utilizing technology to improve its FOIA administration and the public's access to information. You should also include any additional information that that describes your agency's efforts in this area.

1. Is your agency leveraging technology to facilitate efficiency in conducting searches, including searches for emails? If so, please describe the type of technology used. If not, please explain why and please describe the typical search process used instead.

The majority of the agency's statistical data is posted online or is retrievable through electronic databases. Email searches are done OCIO through the Microsoft Exchange Server and is coordinated by OGC.

2. OIP issued guidance in 2017 encouraging agencies to regularly review their FOIA websites to ensure that they contain essential resources and are informative and user-friendly. Has your agency reviewed its FOIA website(s) during the reporting period to ensure it addresses the elements noted in the guidance?

Yes

3. Did your agency successfully post all four quarterly reports for Fiscal Year 2018?

SBA posted 3 out of 4 reports successfully and provided the fourth report in a different format.

4. If your agency did not successfully post all quarterly reports, with information appearing on FOIA.gov, please explain why and provide your agency's plan for ensuring that such reporting is successful in Fiscal Year 2018.

SBA FOIA staff has implemented a quality control process to mitigate any discrepancies in reporting in addition, to improved communication with the Agency's IT staff.

5. The FOIA Improvement Act of 2016 requires all agencies to post the raw statistical data used to compile their Annual FOIA Reports. Please provide the link to this posting for your agency's Fiscal Year 2017 Annual FOIA Report and, if available, for your agency's Fiscal Year 2018 Annual FOIA Report.
