## Graded Agency:

The U.S. Department of Education is honored once again to receive high marks from the Small Business Administration for the significant accomplishments in our small business program. Through increased outreach to small businesses, engagement across the acquisition workforce, and collaboration with executive leaders across the organization, the Department successfully increased prime and subcontract awards in almost every category. In FY2020, the Department is implementing new tools and approaches to provide greater support and opportunities for small businesses, particularly HUBZone and Service-Disabled Veteran Owned Small Businesses. These efforts include a Category Management strategy focused on increasing set-asides and subcontracting opportunities to support the industrial base and grow the number of small businesses working with the Department.

In accordance with reporting and public notification requirements of the Small Business Act, the department awarded prime contracts to Puerto Rico businesses in the amount \$6,500. For purposes of determining compliance with the goals for procurement contracts this amount has been doubled to \$13,000 and is reflected in the Fiscal Year 2019 Scorecard.
