Graded Agency:

The U.S. Department of Housing and Urban Development (HUD) is honored to receive an annual procurement scorecard rating of "A" from the Small Business Administration (SBA). The recognition represents significant accomplishments made by HUD to create contracting opportunities for small business concerns in all categories. In FY 2019 and for the second consecutive year, HUD exceeded its small business annual prime goal and all socio-economic goals for —Women-Owned, Small Disadvantaged, Service-Disabled Veteran-Owned and HUBZone small businesses.

This achievement was due to the continued collaborative efforts of the program offices, procurement and OSDBU staff, and the Department's senior leadership. HUD recognizes that there is more work to be done and remains committed to continually focusing its acquisition workforce and clients on changes in acquisition policies and regulations that impact small business utilization and programs. With its robust acquisition planning processes, the Department will continue to identify areas to afford small businesses maximum practicable opportunities in contracting.
