

SBA Information Notice

TO: All SBA Employees, SBA Lenders, and
Microloan Intermediaries

CONTROL NO.: 5000-20094

SUBJECT: Registration Required for System for
Award Management (SAM.gov)

EFFECTIVE: February 12, 2021

The purpose of this Notice is to inform all SBA employees, SBA Lenders, and Microloan Intermediaries that, on August 13, 2020, the Office of Management and Budget (OMB) issued [Guidance for Grants and Agreements](#) that, among other things, requires recipients of Federal loans, loan guarantees, and other types of Federal financial assistance to register in the System for Awards Management (SAM or [SAM.gov](#)) and receive a unique entity identifier.¹ This requirement implements the Federal Financial Accountability and Transparency Act of 2006 (FFATA).

The requirement to complete SAM registration and obtain a unique entity identifier applies to the following entities that participate in SBA business loan programs:

- 7(a) Lenders, including Paycheck Protection Program (PPP) Lenders
- Certified Development Companies (CDCs)
- Microloan Intermediaries

OMB guidance requires these entities to complete and maintain active SAM registration to be eligible to continue to participate in SBA programs. To maintain active registration, entities must review and update information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate, and complete.

SBA will be revising its regulations, SOPs, forms, and electronic systems (e.g., the Capital Access Financial System) to reflect this requirement, capture each entity's unique entity identifier, outline SBA's verification procedures, and explain possible consequences for noncompliance. In anticipation of these revisions, 7(a) Lenders (including PPP Lenders), CDCs, and Microloan Intermediaries are encouraged to complete SAM registration as soon as possible if they have not done so already.

¹ 2 CFR Part 25.

Given the exigent circumstances in which small businesses and lenders currently find themselves due to the coronavirus (COVID-19) pandemic, PPP Lenders will have thirty (30) days from the date of the first PPP loan disbursement made by them on or after December 27, 2021 to complete SAM registration.²
