^{*} The Office of Investment and Innovation reports financing information based on data collected on the SBA Form 1031. Information is aggregated, by fiscal year, based on the date of the submission of the form and not on the date of the financing to the small business.

^{**} SBA estimates jobs created or sustained using "The 1999 Arizona Venture Capital Impact Study" (confirmed by the DRI-WEFA study of 2001) indicating that 1 job is created for every \$36,000 of SBIC Program investment (adjusted for inflation).
