SBA Disaster Loans Available in New Hampshire Following Secretary of Agriculture Disaster Declaration

ATLANTA - The U.S. Small Business Administration announces today that federal economic injury disaster loans are available to small businesses, small agricultural cooperatives and most private non-profit organizations of all sizes located in Carroll and Coos counties in New Hampshire as a result of excessive rain, flooding, and a tornado that occurred on August 21, 2009.

“These counties are eligible because they are contiguous to one or more primary counties in Maine. The Small Business Administration recognizes that disasters do not usually stop at county or state lines. For that reason, counties adjacent to primary counties named in the declaration are included,” according to Frank Skaggs, director of SBA’s Field Operations Center East.

“When the Secretary of Agriculture issues a disaster declaration to help farmers recover from damages and losses to crops, the Small Business Administration issues a declaration to assist small businesses, small agricultural cooperatives and most private non-profit organizations of all sizes affected by the same disaster,” said Skaggs.

Under this declaration, the SBA’s Economic Injury Disaster Loan program is available to eligible farm-related and nonfarm-related entities of all sizes that suffered financial losses as a direct result of this disaster. Farmers and ranchers are not eligible to apply to SBA.

Victims may qualify for loans up to \$2 million. These loans are available at a 4 percent interest rate with loan terms up to 30 years. The SBA determines eligibility based on the size of the applicant, type of activity and its financial resources. Loan amounts and terms are set by the SBA and are based on each applicant’s financial condition. Under this disaster declaration, the SBA cannot provide loans to agricultural producers.

Disaster loan information and application forms may be obtained by calling the SBA’s Customer Service Center at 1-800-659-2955 (1-800-877-8339 for the hearing-impaired) Monday through Friday from 8 a.m. to 6 p.m. EST or by sending an e-mail to disastercustomerservice@sba.gov.
