### Your Small Business Resource

Every day, the U.S. Small Business Administration and its nationwide network of partners help millions of potential and current small business owners start, grow and succeed. Here's how:

- Start, grow, and finance a business
- Opportunities in contracting
- Recover from disaster
- A Voice for small business in government

All SBA programs and services are provided on a Nondiscriminatory basis.

Before you apply for a business loan, first attend a free financing roundtable. We'll debunk the myths and demystify the process of small business financing, including SBA loan guarantees. The "team" is a banker, an SBA representative, an SBA business counselor and business owners like you. The team will answer all of your financing questions and give you advice on what steps to take to achieve your goal of starting or expanding a business. The roundtables are best suited for those who have **good credit, a solid business idea, and some money to invest in the business.** The sessions are free, but you must register in advance. Please note: **SBA does not provide loan guarantees to real estate investment companies and this topic will not be part of the discussion.**
