

FOR THE LIFE OF YOUR BUSINESS

Veteran Fast Launch Initiative

SCORE has launched the [Veteran Fast Launch Initiative](#) with the White House, helping veterans - and their families - start and grow small businesses. This program provides free mentoring, tools and training to military personnel and their families who want to use their skills and knowledge to create and grow their own small businesses.

Among other services, participants can obtain scholarships to attend SCORE **Simple Steps Workshops** (see attached flyer for dates and location). We've been getting the word out about the initiative, so you may begin seeing program coupons soon.

For information on how to participate and redeem the scholarship coupons, download the **Veteran Fast Launch** and visit www.vetsfastlaunch.org today!
