This table displays the total purchase amount by program as of the end of each fiscal year. Since data are not available through the end of the most recent fiscal year, the data displayed in 2016 are as of 12/31/2015.

Purchase amount is defined as the total dollar amount of principal and interest purchased by the SBA on a guaranteed loan in default. Purchase amounts for the 504 program also include accrued advances.

Purchase amounts are net of pre-purchase lender recoveries and related expenses, but are not net of post-purchase recoveries and related expenses.

Purchase amounts reflect the SBA guaranteed portion and exclude the non-guaranteed portion of the loan.

Purchase amounts for a given fiscal year may be adjusted if an additional amount is purchased or a repair occurs and the purchase amount is reduced.

Guarantied Business programs include all guaranteed loans that are subject to the Credit Reform Act of 1990; which are loans SBA approved on or after 10/01/1991.

The 7(a) and 504 loans in the DELTA and STAR programs are included in the 'All Other' category, not the '7(a) Regular' and '504 Regular' categories, of guaranteed business programs.
