Comments:**Graded Agency:**

The Treasury-wide acquisition team is proud that for four consecutive years we have achieved our small business goal and all sub-goals. The efforts put forth have once again earned us an "A" on our Small Business Procurement Scorecard. For the last four years we aggressively set out to exceed the overall small business goal, and we will continue that momentum in FY 2015. Our FY 2014 small business goal was 35.07%, so we are especially pleased that we achieved 36.67%, which allowed us to put \$997.8 million into the small business economy. Treasury will continue to strive to meet the small business prime and subcontracting performance goals in FY 2015. Treasury will continue to employ proven strategies, which consist of targeted outreach, enhanced leadership accountability, new policies, new tools and resources, acquisition staff training, and increased intra-agency communication.
