Comments:**Graded Agency:**

In Fiscal Year 2014, the SBA exceeded the primary utilization target as well as all socio-economic subtargets. SBA's success was achieved through a combination of strategic acquisition planning, high level management focus across the agency on Small Business Utilization, and diligent day to day management of procurement execution. The agency targeted large dollar, multiple-year requirements for specific set-asides with Service Disabled Veteran Owned Small Businesses and HUBZones and continued to track our progress throughout the fiscal year. Exceeding our subcontracting goal continues to be a challenge, and we will search for opportunities to improve our progress in this category. The agency is committed to continue to train the acquisition workforce on the changes in acquisition policy and regulations, particularly those that impact small business utilization.
