Graded Agency: The Department of Health and Human Services (HHS) supports all small businesses. HHS is committed to the increased utilization of small businesses in all of its procurement requirements.

- Host Small Business industry days targeting HUBZones and SDVOSBs
- Submit all procurements over \$25K for small business review (including orders against GSA Schedule Contracts and GWACs)
- Share best practices in market research from a central source, (i.e. acquisition repository) to improve small business goals.
- Coordinate market research with the SBS to increase set asides to SB under the SAT.
- Work with SBS in early acquisition planning to improve competition under SAT.

4. Subcontracting Goals:
