Graded Agency:

The U.S. Department of Commerce (DOC) is honored to receive a grade of "A+" on our Small Business Scorecard for FY 2016.

We are appreciative to the U.S. Small Business Administration for the public recognition of our diligent efforts to create contract opportunities for small business concerns in all categories and for exceeding all prime and subcontracting goals.

DOC's noteworthy achievement is a testament of our commitment to the Small Business Program and our determination to help small business concerns compete in the federal acquisition sector. DOC will carry this commitment forward in FY2017 and continuously search for new ways to expand contract opportunities for small businesses concerns, including small disadvantaged, women-owned, service-disabled veteran-owned, and small businesses located in HUBZone areas.
