**Comments:**

Graded Agency:

The U.S. Department of the Treasury is proud of the collective effort that led to the outstanding achievement of exceeding 4 out of 5 small business prime goals and 3 out of 5 subcontracting goals. The A score is a testament to the hard work and professionalism of the procurement and acquisition teams across Treasury's Bureaus and the serious commitment to utilizing small businesses that emanates from Treasury's leadership.

Treasury's small business goal performance has been consistently strong over the last 6 years, although like many other federal agencies, we face challenges, particularly with HUBZone and SDVOSB goals. We anticipate greater achievements going forward.
