8:00am to 12:00pm
(8:00am to 8:30am
networking & registration)**

The **LGBT Business Builder** is a historic national initiative in partnership with the U.S. Small Business Administration. The purpose of this initiative is to remove barriers and increase access to strategic growth opportunities for America's LGBT business owners. Join NGLCC, SBA, and the Greater Boston Business Council for the LGBT Business Builder event in Boston.

The workshop will prepare attendees to:

- Grow their businesses with the NGLCC LGBT Business Enterprise® (LGBTBE) certification,
- Leverage the resources and information provided by the U.S. Small Business Administration into lucrative procurement contracts,
- Take advantage of emerging procurement opportunities now open in California as well as Massachusetts. Companies interested in working with LGBTBEs include over 1/3 of the Fortune 500!

Who should attend:

- Currently certified LGBTBEs seeking new growth strategies
- LGBT business owners
- Local business leaders
- Supplier Diversity and procurement professionals
- Anyone committed to the economic advancement of LGBT people

There is no cost to attend this event. Arrive early as federal building security is similar to airport security.

Cosponsorship Authorization # 15-2060-40. SBA's participation in this cosponsored activity is not an endorsement of the views, opinions, products or services of a cosponsor or other person or entity. All SBA programs and services are extended to the public on a nondiscriminatory basis. Reasonable arrangements for persons with disabilities will be made if requested at least two weeks in advance.
