EIDL FAQs

How long will it take to know if I am approved for a loan?

We are processing applications as soon as possible.

If a business currently has an SBA-backed loan and it fears it will not be able to make the payments, what course of action should it take?

Disaster loans from previous disasters that are still being payed back will now have their payments deferred through the end of 2020.

Who is authorized to offer EIDL?

SBA offers direct loans through its Economic Injury Disaster Loan program. Traditional SBA backed loans are still available via banks as well. To find an SBA-approved lender, visit sba.gov/lendermatch.
EIDL FAQs

How does a business define an impact and/or loss for this? Is there a percentage, dollar amount, etc.?

A business needs to define its loss in comparison to its 2019 operations/financials. Losses will be compared to the effective incident period starting on January 31, 2020. Just a loss needs to be reported; there is no threshold of a percentage or dollar amount.
