

ABOUT MASSMEP

WHO WE ARE Our History

MassMEP is one of 51 MEP Centers throughout the United States and Puerto Rico that operates through a cooperative agreement between the Hollings Manufacturing Extension Partnership (MEP) of the National Institute of Standards and Technology (NIST) under the Department of Commerce. MassMEP was established as a non-profit in 1996 to provide consulting services to small and medium-sized manufacturers, as part of the MEP National Network and it's 1,300 manufacturing experts at over 400 service locations.

WHY CHOOSE US MassMEP is an Economic Driver

MassMEP adds sustainable jobs, grows manufacturer's top line revenue's and increases the state's tax revenue base.

MassMEP is the official representative of the MEP National Network in Massachusetts.

When you partner with MassMEP, you'll be teaming up with a trusted advisor who can help unleash your company's growth potential.

The MEP National Network is a unique public-private partnership that delivers comprehensive, proven solutions to U.S. manufacturers, fueling growth and advancing U.S. manufacturing.

MASSACHUSETTS CENTER FOR ADVANCED MANUFACTURING CAM

The Center's mission will be to bring the AMC Vision and Strategic Plan to life and coordinate all advanced manufacturing investments.

AMC vision: To develop and implement the Commonwealth's manufacturing agenda to foster and strengthen the conditions necessary for growth and innovation of manufacturing within the Commonwealth

The Center will build on the success of the M2I2 Program and increase its impacts on the manufacturing sector by:

- Aligning investments in manufacturing with the state's vision
- Leveraging existing programs for increased regional impact.
- Supporting new initiatives from the AMC
- Ensuring a deep pipeline for all programs.
- Tracking outcomes and efficacy of all programs.

Co-Chairs:
Secretary Kennealy of Economic Housing and Development
Mike Tamasi, President of Accurounds
