About the Emerging Leaders Initiative (E200):

The SBA E200/Emerging Leaders Initiative is a federal training program that provides executives of businesses poised for growth in historically challenged communities with the tools they need to build sustainable businesses and promote economic development.

From 10 cities 7 years ago to 27 cities this past year, the E200/Emerging Leaders Initiative is about passionate small businesses growing jobs and communities with the help of SBA and our partner network. Visit the SBA at www.sba.gov/ma for the profile of this year's amazing graduating class.
