An SBA 912 and specific information as to the offense and disposition of the charges needs to be completed by the concerned principal. If there is only one minor (misdemeanor) offense or arrest in the last 6 months, the loan may be submitted for clearance to the SBA Field Office (for non-delegated loans) with that information. A delegated lender (for loans processed under delegated authority) may process, submit and disburse the loan only when the subject's affirmative activity meets the criteria set forth in SOP 50-10-5, Subpart B, Chapter 2, Section III D.(n) and must follow the procedures therein

If you are proceeding with the Loan Application, please complete the Basic Borrower Info and About the Principals section for each person that has a positive response. This information will be used to start completion of the SBA 912 form. When that is done, complete the rest of the 912 package and follow the instructions.

IV. LOS - RAPID

The screenshot displays the SBA One web application interface. At the top, there is a navigation bar with the SBA One logo and several menu items: "My Workspace", "Loan Origination" (highlighted in teal), "Modification & Servicing", "PARRiS", "Guaranty Purchase", and "Documents". Below the navigation bar, the page title is "Loan Modification".

The main content area is titled "Loan Pipeline > Demo Company ABC". On the left side, there is a progress indicator showing a green circle with "100%" inside, and the text "26 of 26 Pages Completed". Below this, there is a list of steps in the loan process, each with a green checkmark: "THE BASICS", "ABOUT THE BUSINESS", "ABOUT THE PRINCIPALS / GUARANTORS", "Demo Company ABC", and "RAPID". The "RAPID" step is highlighted with a red rectangular box.

The main content area is titled "ELIGIBILITY RAPID". It contains the following text:

RAPID is a process that allows you to request Principals to submit answers to certain loan application questions to you electronically, via a separate website (not SBA One). If you choose to use this feature, you will not be able to edit this loan until the Principals have responded, or until their time to respond has expired.

RAPID is a good choice for people who are comfortable working with computers and submitting information online. It can speed up the data collection process when dealing with responsive, tech-savvy individuals. All questions will be optional to the Principals, so further follow-ups may be required to collect all Principal-level information. Ultimately, you as the lender are still responsible for confirming the answers they provide.

Do you wish to begin the RAPID process for this loan application?

Yes No

At the bottom of the main content area, there are two buttons: "Back" and "Continue".
