SUBORDINATION

In order for the Small Business Administration to process a subordination action on Real Property/Business Assets held as collateral, please provide the following required information as itemized below.

ATTENTION:

This requirement letter is not a commitment by the SBA. Any commitment made by the SBA will be provided separately in writing.

Servicing actions cannot be approved without proof of continuing insurance coverage showing SBA as mortgagee as stated below.

All loans must reflect current status before the SBA will process a servicing action. Any incomplete packages are subject to delays and/or may be returned unprocessed. Additional documentation may be required for thorough analysis.

Under most circumstances, SBA will not entertain a request to MOVE from SENIOR lien position to a JUNIOR lien position without monetary consideration, which may include a 50% pay down of SBA’s loan balance (if you need further clarification, please contact the Loan Specialist).

The SBA will consider subordination requests to accommodate the refinance of superior liens upon favorable fixed interest rates with reasonable and customary closing costs and no more than (3) month’s escrow funds on conventional loans.

The SBA will not entertain any request for “Cash Out” subordination in any amount intended for: Construction Loan, Home Equity – Line of Credit, Debt Consolidation, etc., WITHOUT a 50% pay down on the current SBA loan balance. This pay down is NOT counted towards your regular monthly payment(s), as it will be posted as a principal reduction against the loan balance. Regular monthly payments are not automatically re-amortized; you must qualify for payment reduction.

Note: If SBA is in the process of foreclosing on the real estate used to secure your SBA loan, you must contact the SBA employee in the SBA’s National Disaster Loan Resolution Center (NDLRC) named in your foreclosure letter to discuss this matter. As to non-bankrupt borrowers/guarantors in foreclosure, collection efforts currently in process will continue until SBA’s NDLRC receives the required documentation and approves your request for assistance in writing. There will be no refunds of any offset(s) by the U.S. Department of Treasury during this period.
