

SBA 2012 Emerging 200 Participants

The following companies are participants in SBA's Emerging 200 initiative. Emerging 200 is focused on helping leaders and owners of small businesses in 17 inner city communities nationwide including Boston achieve their full potential. For more information on the E200 initiatives go to: <http://www.sba.gov/e200/>. For more information on the participating businesses or on the Boston E200 program contact David Polatin, at 617-565-5562.

Find out what the 2011 class of e200 had to say about the program. Watch the e200 "Why You Should Participate": <http://bit.ly/IDdXi4>

Peter Andruchow, Wovensteel, Inc.: Wovensteel is a full-service miscellaneous metals shop in the area since 1996. Their goal is to provide quality welding and custom metal fabrication services for the Boston area.

Dennis Sullivan, Prestige Homecare: Prestige Homecare is a Needham, MA-based Residential Property Management Company bringing full service property management to owner-occupied, Metro-West residences. They offer personalized programs designed to minimize the client's involvement in all aspects of home maintenance, repairs and improvements while maximizing the value of the total residential investment.

Shaun McMahon, Illuminate: Illuminate is a client-focused, full-service training and development agency that specializes in delivering high-caliber pharmaceutical sales training solutions. They offer an unparalleled level of client service and an unwavering commitment to maximizing the client's sales force success.

Jennifer Bylo, Re-Bath: Bay State Re-Bath is a fully licensed plumbing company that specializes in beautiful one-day bathroom renovations in the South Shore and Metro West regions of Massachusetts as well as the Greater Boston area. They have emerged as a trusted name in bath remodeling because of their years of industry experience and commitment to using quality brand-name products.

Alberto Calvo, Compare Supermarket: This is a full-fledged, medium-size neighborhood supermarket company formed in 1996 with the purpose of serving the growing Hispanic and ethnic populations of the Boston metropolitan area and other Massachusetts communities.

Gopinath Balasubramanian, Gopi Bala, LLC: Founded in 2002, Gopi Bala works closely with senior managers within client firms to help identify and solve business problems using proven methodologies usually within the context of short to medium-term engagements in strategy setting or execution. They work hard to transfer knowledge to their clients at every engagement.

Sandra Bonazoli, Beehive Kitchenware: Beehive Kitchenware is a historic continuum of metalsmiths who, through a blend of technical skill and fine design make their living through their craft. All products are designed and produced from hand-fabricated originals made by an artist.

Denise Jones, Dnutch Associates, Inc: Dnutch provides information technology services to the commercial, local, state and federal government sectors. They provide world-class support based on their exceptionally qualified staff, matrix staffing approach, consistent use of industry best practices, and commitment to continuous learning.

Jill Tomich, Ultimate Bootcamp, LLC: Since 2004, Ultimate Bootcamp has helped thousands of New Englanders reach their fitness goals with results-driven fitness programs. The force behind Ultimate Bootcamp's success has been the philosophy of Co-Founders Jill Tomich and Peter Lavelle. They founded the company on the belief that when fitness was made fun, anyone could push themselves beyond their limits.

William Picard, Advanced Environmental Solutions, Inc.: Advanced Environmental Solutions, Inc. is a solutions oriented environmental consulting company with extensive expertise in providing service to federal agencies. The management team at AES has the experience, technical skills and resources to meet and exceed their clients' expectations for effective, timely, and economic environmental solutions.

Raghu Nandan, Soltrix Technology Solutions, Inc.: Soltrix Technology Solutions, Inc. is dedicated to providing simple, high impact and reliable information technology solutions that meet customer specifications and deliver the solution in a cost effective manner without sacrificing quality or reliability.

Warren Anderson, W.S. Anderson, Inc.: W.S. Anderson, Inc. is a minority-owned business enterprise that offers general and electrical contracting specializing in commercial, industrial, institutional and residential construction as well as electrical installation and repairs.

Fernando Domenech, DHK Architects, Inc.: DHK Architects has been continuously involved in the development of residential, public transportation, municipal, public utility and historic facilities since 1978.

Stephan Wronski, R.J. Wronski Associates, Inc.: R.J. Wronski Associates, Inc. is a leader in the design, development, and delivery of corporate leadership programs. They also offer stand-alone courses for developing interpersonal skills, professional development skills, information technology skills and functional expertise.

Javier Calderon, CMI International Group: CMI International Group advises and trains individuals and organizations around the world on relationship, negotiation, persuasion, mediation, leadership and conflict resolution issues and the process by which key associations, internal and external, are negotiated and managed.

Alvin Teh, AKS Merit Constructors, Inc: This is a licensed and insured professional builder/general construction management company. The company has 25 years of experience on interior construction, managing projects and project control and management in construction.

Patrice LaMour, LaMour Health Institute: LaMour Health Institute is a mental health clinic that specializes in comprehensive and integrated mental health services that meet the needs of children, adolescents, adults and families.
