Dear Senator McConnell:

Thank you for your recent letter requesting a status update on the potential repeal of the U.S. Small Business Administration's (SBA) non-manufacturing waiver for Aerospace Ball and Roller Bearings, North American Industry Classification System Code 332991.

Please be assured that your comments will be considered along with other public and Congressional comments SBA has received when our decision is finalized. We expect to publish our decision in the Federal Register within the next 30 days.
