## **SBA Disaster Assistance Available to Private Non-Profit Organizations in Michigan**

**ATLANTA** – The U.S. Small Business Administration announced today certain Private Non-Profit Organizations (PNPs) that do not provide critical services of a governmental nature may be eligible to apply for low interest rate disaster loans. These loans are available following a Presidential disaster declaration for Public Assistance resulting from damages caused by severe storms and flooding on Aug. 11-13, 2014.

PNPs located in the counties of Macomb, Oakland and Wayne, are eligible to apply to SBA. Examples of eligible non-critical PNP organizations include, but are not limited to, food kitchens, homeless shelters, museums, libraries, community centers, schools and colleges.

“PNP organizations are urged to contact their County’s Emergency Manager to obtain information about local briefings. At the meeting, PNP representatives will need to provide information about their organization,” said Frank Skaggs, director of SBA Field Operations Center East in Atlanta. The information will be submitted to FEMA to determine eligibility for a Public Assistance grant or whether the PNP should be referred to SBA for disaster loan assistance.

PNP organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. The interest rate is 2.625 percent with terms up to 30 years. Applicants may be eligible for a loan amount increase up to 20 percent of their physical damages, as verified by the SBA, to make improvements that help prevent the risk of future property damage caused by a similar disaster.

The SBA also offers Economic Injury Disaster Loans to help meet working capital needs, such as ongoing operating expenses to PNP organizations of all sizes. Economic Injury Disaster Loan assistance is available regardless of whether the organization suffered any physical property damage.

Applicants may apply online using the Electronic Loan Application via SBA’s secure website at <https://disasterloan.sba.gov/ela>.
