Reminder: In order to fully engage in this participatory workgroup, please be prepared to address the following about your program during the roundtable:

- In what ways is collecting data important to your program? How does your program use these data?
- In what ways does your program use data to improve performance?
- How does your program determine *which* clients are surveyed, *when* and on *what* topics?
- What tools, methods and vendors does your program use to collect data?
- What challenges has your program experienced on data collection efforts?
- Does your program coordinate data collection with any partners, networks, by geography (e.g. regional point persons), by other means?
