

Hosted by the SBA Illinois District Office Webinar on SBA Export Loan Programs

Are you an Exporter or a small business that is considering exporting? SBA has loan programs that will help your small business expand into the World of Exporting.

On July 23rd at 10:00 am Central Time, John Nevell, Regional Manager, SBA International Trade Programs, will be presenting information on SBA Export Programs. SBA provides support for exporters in the form of a guarantee for the benefit of their lenders in order to encourage the provision of loans that might otherwise be denied. SBA has three Trade Finance Products:

- SBA Export Express
- International Trade Loan (ITL)
- Export Working Capital Program (EWCP)

Small businesses looking to increase sales and profit, reduce dependence on the domestic market and stabilize seasonal fluctuations should consider exporting.

Nearly 96 percent of consumers live outside the U.S.

Two-thirds of the world's purchasing power is in foreign countries.

Go where the customers are. There is significant opportunity for small businesses to profit through exporting.
