Comments:**Graded Agency:**

HHS is pleased with its performance in FY 2010. We attribute this year over year progress to the emphasis placed on training of contracting and program staff and the diminished purchase of Vaccines. We remain challenged as an agency by the fact that Vaccines and Medicare Administrative Contracts make up almost one-third of our base and can have significant influence in our performance from one year to the next.

SBA:

The Department of Health and Human Services (HHS) met 3 of its 5 prime contracting goals: Small Business, Women Owned Small Business and Small Disadvantaged Business. However, it did not meet its prime contracting goals for Service-Disabled Veteran Owned Small Business and HUBZone.

Fiscal year 2010 prime contracting achievement saw increases over FY2009 in all categories: Small Business, Women Owned Small Business, Small Disadvantaged Business, Service-Disabled Veteran Owned Small Business and HUBZone.

HHS regularly attends Small Business Procurement Advisory Council meetings.
