Graded Agency:

The Environmental Protection Agency's success with the FY2013 Small Business Scorecard can be directly attributed to the unwavering support of senior leadership within the Agency; a close, collaborative relationship with the Office of Acquisition Management; and the clear, consistent communication of the Agency's goals, training of our acquisition professionals, and the outreach efforts to the small business community provided by the Office of Small Business Programs. In FY2014, the Agency will continue the efforts that contributed to our success, while implementing initiatives targeted at meeting the HUBZone goal, the only goal unmet by the Agency in FY2013.
