Graded Agency:

The Department of Housing and Urban Development (HUD) is very pleased to have achieved an overall score of "A" for FY 2014. Senior management at HUD continues to place high importance on ensuring that small businesses are afforded every opportunity to compete for awards. The focus on this program begins with effective planning of the annual strategic acquisition plans and ensuring that all executives place the proper emphasis on this critical program. HUD will continue to work towards achieving its small business goals with special focus on improving its HUBZone achievements, in both the prime and subcontracting areas. We will accomplish this through training, market research, use of the Acquisition Review Council, and a stronger emphasis on subcontracting plans.
