**Comments:**

Graded Agency:

USAID is extraordinarily pleased to receive its first ever "A+" on the Small Business Procurement Scorecard. It is the culmination of several years of hard work to implement our comprehensive procurement reform strategy. One of its objectives is to increase competition and expand the use of small business concerns as prime contractors on direct and Indefinite Delivery-Indefinite Quantity awards. Our success with this objective in FY 2014 allowed the Agency to increase its dollars and percentages obligated in all four of the goals achieved. The overall small business; small disadvantaged; women owned; and service-disabled-veteran owned small business goals were all met and exceeded. In FY 2015 the Agency will strengthen its efforts to increase overall awards to small businesses with a special emphasis on attracting more firms in the HUBZone programs. To that end, the Agency is focusing on attending and coordinating events specifically directed to the HUBZone community.
