**Comments:****Graded Agency:**

The U.S. Department of Commerce (DOC) is honored to once again receive public recognition from the U.S. Small Business Administration for our outstanding efforts to increase contract award dollars to small business concerns and exceed our small business goals. It is a privilege to be able to help American small businesses grow and thrive through our programs and contract opportunities. DOC has a long and cherished record of exceeding prime and subcontract goals for small business, small disadvantaged business, women-owned small business, and service-disabled veteran-owned small business concerns. This noteworthy achievement is a testament of our commitment to the Small Business Program. DOC will carry this commitment forward in FY2016 and continuously search for ways to expand opportunities for small businesses to meet our acquisition needs.
