Comments:**Graded Agency:**

The Department of Justice (DOJ) is committed to maximizing participation of small businesses, including small disadvantaged businesses (SDB), women-owned small businesses (WOSB), service-disabled veteran-owned small businesses (SDVOSB), and HUBZone firms in the delivery of its important missions. DOJ's leadership and its employees are proud that we exceeded our small business prime contracting goal of 27.50% by awarding 29.79% of our prime contracting dollars to small businesses in FY2015 and that we again exceeded our prime contracting goals for SDBs, WOSBs, and SDVOSBs. Further, we are proud that in FY2015 DOJ's large business prime contractors increased participation by small business subcontractors in every category.

In FY 2016, DOJ continues its commitment to provide American small businesses with the maximum practicable opportunity to participate in our acquisitions as prime contractors and subcontractors.
