Comments:**Graded Agency:**

EPA is an Agency where the commitment to small business utilization is consistent and strong. FY2015 marks the seventh consecutive year that the Agency has earned an "A" on the SBA Small Business Procurement Scorecard. While we may not have posted our highest numbers in FY2015, our efforts to increase small and socio-economic business utilization through our comprehensive small business program, including the support of our senior leadership and our Office of Acquisition Management, were exceptional. In FY2016, with an even higher small business goal of 41.75%, EPA will remain undaunted in its effort to meet this, and all of our small business goals.
