Comments:**Graded Agency:**

In Fiscal Year (FY) 2015 we increased our dollars awarded to Service-Disabled-Veteran-Owned Small Business Concerns by \$2.8 million, from \$44.8 million in FY2014 to \$47.6 million in FY2015. In addition, the \$663 million in obligated dollars to contracts owned by small business is the highest amount awarded in SSA's history of supporting the program.

We are very proud of our support of the Women Owned Small Business (WOSB) Program as well and in FY2015 we were recognized by the Small Business Administration as one of six agencies contributing to the Federal Government's first time achievement of the WOSB 5% goal. We are also pleased to note that this year is the first time we exceeded all five Subcontracting Goals.

These achievements reflect our continued commitment to advancing the interests of both the prime and subcontracting small business programs.
