

National Veterans Small Business Week (NVSBW), November 2-6, 2015, highlights the critical contributions of America's veteran and military spouse small business owners. Throughout the week, the U.S. Small Business Administration (SBA) and partners, including Marriott, International, and the International Franchise Association/VetFran, recognize the impact veteran entrepreneurship makes in the U.S. and abroad and offer programs that further enable small business ownership!

Interested in finding more NVSBW events? Check the map for activities near you: www.sba.gov/nvsbw.

Get involved in the NVSBW conversation using **#MyVetBiz!**
