

U.S. SMALL BUSINESS ADMINISTRATION
WASHINGTON, D.C. 20416

August 10, 2015

The Honorable Scott H. Peters
U.S. House of Representatives
Washington, DC 20515

Dear Representative Peters:

Administrator Contreras-Sweet asked me to respond to your recent letter of support for the "BlueTech cluster" proposal submitted by The Maritime Alliance.

The Regional Innovation Clusters contract solicitation, SBAHQ-15-R-0015, is a funding opportunity offered by the U.S. Small Business Administration (SBA) to support the growth and development of existing clusters across the country. The SBA believes that investing in regional innovation clusters will increase opportunities for small businesses and lead to job creation and economic growth.

All contract proposals submitted on or before the due date of August 4, 2015, are being evaluated. Successful contractors should expect to receive awards within approximately 45 days from the solicitation closing date. Notification for all contract awards will be posted at FedBizOpps.Gov and on the SBA's website at <http://www.sba.gov/clusters>.

We appreciate your support of SBA and the California small business community. If you and your staff have any questions, please contact the SBA Office of Congressional and Legislative Affairs at (202) 205-6700.

Sincerely,

Tameka Montgomery
Associate Administrator
for the Office of Entrepreneurial Development
