

U.S. SMALL BUSINESS ADMINISTRATION
WASHINGTON, D.C. 20416

September 23, 2014

The Honorable Mark Warner
United States Senate
Washington, DC 20515

Dear Senator Warner:

Administrator Contreras-Sweet asked me to respond to your recent letter of support for Virginia Tech's proposal.

The Regional Innovation Clusters contract solicitation, SBAHQ-14-R-0007, is a funding opportunity offered by the U.S. Small Business Administration (SBA) to support the growth and development of existing clusters across the country. The SBA believes that investing in regional innovation clusters will increase opportunities for small businesses and lead to job creation and economic growth.

All contract proposals submitted on or before the due date of July 31, 2014, will be evaluated. Successful contractors should expect to receive awards within approximately 45 days from the solicitation closing date. Notification for all contract awards will be posted at FedBizOpps.Gov and on the SBA's website at <http://www.sba.gov/clusters>.

We appreciate your support of SBA and the Virginia small business community. If you and your staff have any questions, please contact our Office of Congressional and Legislative Affairs at (202) 205-6700.

Sincerely,

Tameka Montgomery
Associate Administrator
for the Office of Entrepreneurial Development
