Strategic Alliance Memorandum

between the

United States Small Business Administration

and the

Center for Inclusive Entrepreneurship

I. PURPOSE

The United States Small Business Administration (SBA) and the Center for Inclusive Entrepreneurship (CIE) (each a “Party” or, collectively the “Parties”) are joined by a common mission; helping start, maintain, and expand small businesses. The Parties will work together in the spirit of cooperation and open communications, consistent with law, with the primary goal of meeting the needs of the small business community.

CIE is a 501(c)(3) nonprofit that offers accessible and inclusive first step business training and support in underserved communities throughout Washington State. They help people launch and build businesses and become leaders in building resilient, sustainable, and equitably shared community wealth.

The mission of the SBA is to aid, counsel, assist and protect the interests of small business by providing financial, contractual and business development assistance and advocating on their behalf within the government. SBA district offices deliver SBA programs and services to the public. Each Party has separate services and resources which, when delivered in coordination with each other, will provide maximum benefits to the small business communities served.

The purpose of this Strategic Alliance Memorandum (SAM) is to develop and foster mutual understanding and a working relationship between the SBA and CIE in order to strengthen and expand small business development in the local area.
The Parties acknowledge that beyond the information sharing contemplated under this SAM, any specific joint training and outreach activities will require a separate signed agreement developed pursuant to SBA’s Cosponsorship Authority.

In order to further their common goals, the Parties agree to the following:
