7(a) Loan Application Checklist

Once a business has decided to apply for a loan guaranteed by the SBA, it will need to collect the appropriate documents for application. Use the checklist below to ensure the business has everything the lender will ask for to complete the application. Once the loan package is complete, the lender will submit it to the SBA.

☐ **Borrower Information Form**
To begin the process, the small business owner will need to complete SBA Form 1919. This form must be completed by all associates of the business applicant as required on the form, to include all owners of 20% or more of the business, all officers and directors, managing members, any person hired to manage the day-to-day operations and any other person who is guaranteeing the loan.

☐ **Personal Background and Financial Statement**
To assess a small business owner's eligibility, the SBA also might require that they complete the following forms:
- Statement of Personal History - SBA Form 912 (If required after completing Form 1919)
- Personal Financial Statement - SBA Form 413 (Not required, but available for lenders to use)

☐ **Business Financial Statement**
To support a small business owner's application and demonstrate ability to repay the loan, the following statements must be prepared:
- Year End Profit and Loss (P&L) Statement for the last three years
- Year End Balance Sheet for the last three years, including a detailed debt schedule
- Reconciliation of Net Worth
- Interim Balance Sheet
- Interim Profit & Loss Statements
- Projected Financial Statements that include month to month cash flow projections, for at least a one-year period.

☐ **Business Certificate/License**
Small business owners will need to be able to provide the original business license or certificate of doing business when closing the loan. If the business is a corporation, stamp the corporate seal on the SBA loan application form. This information should be readily available to provide to the lender.

☐ **Loan Application History**
Include records of any loans the small business owner may have applied for in the past.

☐ **Income Tax Returns**
Include the business’ signed federal income tax returns for the previous three years.

☐ **Resumes**
Include personal resumes for each principal.

☐ **Business Overview and History**
Provide a history of the business and its challenges. Include an explanation of why the SBA loan is needed and how it will help the business.

☐ **Business Lease**
Include a copy of the business lease, or note for a landlord, giving terms of the proposed lease.

☐ **Additional Documents (If Purchasing an Existing Business)**
The following information may be required for purchasing an existing business:
- Current balance sheet and P&L statement of business to be purchased
- Previous three years’ federal income tax returns of the business to be purchased
- Proposed Bill of Sale including Terms of Sale
- Asking price with schedule of inventory, machinery and equipment, furniture and fixtures

- Additional SBA forms may be required based on the specific use of proceeds or fees paid by the applicant to a loans package, broker or agent.
