

2017 Financial Services Champion

Sherry Kinard joined Brand Bank in January of 2011 and serves as senior vice president of Government Guaranteed Lending. She is responsible for implementing and growing both SBA and USDA loan programs. Her thorough understanding of SBA/USDA lending programs as well as her strong commitment to innovation, economic growth, and business leadership, has really set her apart.

In addition to her official duties, she also serves on the Small Lender Committee for the National Association of Government Guaranteed Lenders and on the InvestAtlanta loan committee. Sherry also serves on several boards and was the Chair for the Georgia Lenders Quality Circle.

During her career she has served the small business community in a variety of roles ranging from loan processor to senior executive. Under her leadership, the newly formed department has assisted countless small businesses, which have created hundreds of jobs for Metro Atlanta!

Sherry has received numerous awards and honors for her tireless efforts and dedication to the small business community.
